Assistand Commissioner for Patents Arlington, Virginia

Sir:

Request Under MPEP Section 707.07(j): The undersigned pro se applicant respectfully requests that if the Examiner finds patentable subject matter in this application, but feels that Applicant's present claims are not entirely suitable, the Examiner draft one or more allowable claims for the applicant.

Respectfully,

Randy D. Akins P.O.Box 91680 Tucson, Arizona 85752-1680
